Yangahla means 'resting place – flat rock' in the local Yugambeh language.

Morning tea included. Bring 1ltr water / hat / extra snacks / rain jacket.

Wear layers and closed in shoes.

All ages: Children under 13 must be accompanied by an adult.

Tullawallal Walk (5km return / 3.5hr)

Tullawallal in the Yugambeh language translates to "place of many trees". As we spiral up to the gentle summit, we come to a rare pocket of cool temperate rainforest full of Antarctic Beech *Nothofagus moorei*. This is the northernmost patch of this species in Australia. Your guides will tell you about these ancient trees, one of our remaining links with the forests of Gondwana.
